## Course outline

Do you want to upgrade your PRINCE2  
Foundation qualification?

This weekend course is designed to help you achieve the PRINCE2 Practitioner qualification, which is widely regarded as essential for managing projects using PRINCE2. As the course is held on Saturday and Sunday, it is ideal for busy professionals, because you won't need to take any time off work to attend it.

The Practitioner training builds on your existing knowledge of PRINCE2 by showing you how to apply the method to the various styles of exam questions. You will be well prepared to pass the Practitioner exam on Sunday afternoon.

The PRINCE2 Practitioner course includes:

- Exclusive online pre-course preparation
- Training (focused on exam preparation) from an approved PRINCE2 Trainer
- PRINCE2 Practitioner exam
- PRINCE2 Practitioner certificate (on passing the exam)
- Sample exam papers
- Guide to passing the exam
- Refreshments

Note: Please bring the 2009 version of the Managing Successful Projects with PRINCE2 manual to the course. You can buy the manual from Knowledge Train for £75 (including UK postage).

## Where and when?

London: 25 Feb, 31 Mar, 28 Apr, 16 Jun, 14 Jul

## Pre-requisites

You must have already passed the PRINCE2 Foundation exam in order to attend the course.

## Pre-course preparation

You will be provided with online pre-course preparation in order to familiarise yourself with PRINCE2 before attending the course. The online pre-course preparation consists of a concise introduction to PRINCE2, as well as a quiz, and should take approximately 4-5 hours to complete. The materials are commended by our delegates for their clear style. One of their major advantages is that they allow you to prepare for the course in 4-5 hours, compared to the 10+ hours required by many other training providers.

## Course times

The course runs from 9am to 5pm on Saturday and Sunday. A lunch break of 45 minutes is taken each day, with shorter breaks mid-morning and mid-afternoon. Please bring your own lunches or purchase them from a local shop.

## Course detail

This course covers the following topics:

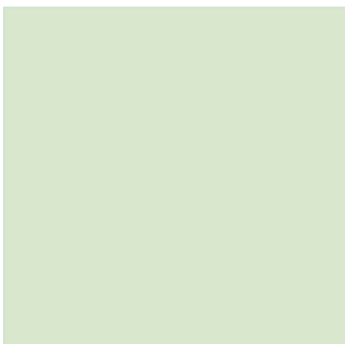

### Tailoring and embedding PRINCE2

- How to embed and tailor PRINCE2 to suit the size, complexity, risk of a project
- How the environment affects the application of PRINCE2 within a project

### Exam preparation

Our trainers take you through:

- Guidance on how to approach the Practitioner exam
- Mock exams (under the guidance of the trainer)
- Group and individual exercises

### PRINCE2 Practitioner exam

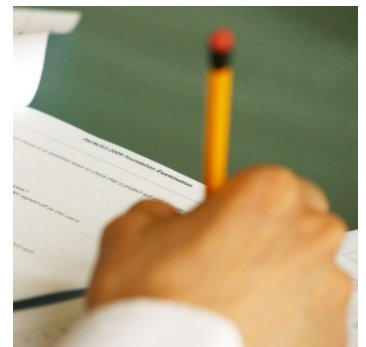

The course includes the 2.5-hour open-book, complex multiple-choice PRINCE2 Practitioner examination on the Sunday afternoon. You must score 55% or more to pass. You are allowed to use your PRINCE2 manual during the exam; annotations and page markers are permitted in the manual.

### Homework

You will be asked to perform approximately 2 hours of homework on Saturday evening.
