

Course guide

Team Building course

Course outline

Learn how to build an effective team

A group is a set of people who have separate goals. A team is a set of people with a common goal. The individuals may be working on different or identical individual objectives, but the key to effective team building is to ensure that every individual is integrated into the overall team and the team goal.

This course is available for in-house training only. Please contact us for details

Benefits

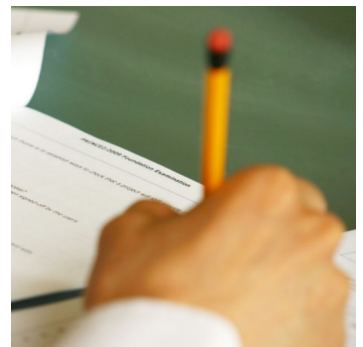

- Individual-orientated training and personal assessment
