Why choose Knowledge Train?

Obsessed with project management

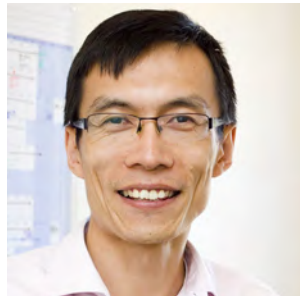

Since 2005, we have focussed on one subject: project management. Not many other providers can say that. In fact, many of them offer courses in seemingly everything. Our director is an experienced project manager with years in the field. And so are all of our trainers. You can feel confident that you will be taught by an expert with a passion for project management.

Customer service, not sales

We know sales teams are annoying. So we don't use this approach. No telemarketing. No cold calls. No pestering. And no passing the call around like a disease. Call or email us and get through to a helpful person who knows our courses inside out. We are a small team who get to know our customers well. Have confidence we will help you.

Training, not lecturing

When training we like to encourage discussion. No dull lectures. No lengthy PowerPoint presentations. The atmosphere on our courses is light-hearted. Students even miss the vibe when they leave. Our absolute maximum class size is just 9 people. Some providers cram in as many as 30 to a room. Again. We are experienced in providing courses. We know a smaller class is much, much better.

In the heart of the city

Spacious. Bright. With working facilities. And a decent cup of tea or coffee. This is the type of venue we offer our students. You deserve a proper classroom to learn in. All of our London courses are conveniently located within walking distance of Barbican station.

No corporate greed

All businesses have an aim to make money. And in that respect we are no different from the others. But. Our terms and conditions have not been created to scam you out of your money. We won't keep your money in the event of course cancellation. Some training providers will. If we have to cancel your course you will be entitled to get a refund or move your date.

Finally, read our genuine reviews

Check out our [Google Places page](#) and our website to see what past students really think about us. We don't use third party review websites like some companies out there. They often manipulate those reviews in their favour. And they delete the negative ones.

We have nothing to hide. Have a look around the website. Call us. Email us. Ask us anything.

★★★★★ Brilliant week, enjoyed it thoroughly. Tutor was excellent, learnt a hell of a lot. Location is great, friendly environment and class size is great - about 9 of us I think.

Highly recommended! Plus it was the cheapest 'classroom' course I could find in London!
