

Are you looking for some free MS Sharepoint training? Microsoft has a good library of Sharepoint training materials which are free to use on their web site.

Training materials are available in a variety of formats – mainly HTML and as Microsoft Powerpoint files, so you can download them and print them off as posters for your team. Topics covered include:

- Introduction to Sharepoint
- Creating sites
- Creating posts
- Creating lists
- Sharing files and folders
- Syncing files and folders.

Sharepoint web application

Microsoft Sharepoint is only available as a desktop application. It works on any modern browser, but Microsoft Edge browser is recommended.

Sharepoint mobile applications

The Microsoft Sharepoint app is available for both iOS and Android and works perfectly with mobile versions of Windows.

Microsoft Office

Microsoft Sharepoint forms part of all versions of the [MS Office](#) and Office 365 SaaS productivity suite.

Microsoft also provides [MS Office training](#) for free for all its other Office products.
