

Are you looking for some free MS Visio training? Microsoft has a good library of Visio training materials which are free to use on their web site.

Training materials are available in a variety of formats – mainly HTML and as short videos. Topics covered include:

- Introduction to Visio
- Creating diagrams
- Adding shapes and connectors
- Adding text, pictures and tables
- Designing diagrams
- Sharing and protecting diagrams
- Customising shapes and stencils.

Visio 2013 Training

Microsoft also offers free training for the Visio 2013 desktop application. This training covers essential topics for beginners, intermediate and advanced Visio users.

Many of the training videos which are available on the Microsoft site also come with transcripts to accompany the videos. This means you can read the instructions later if you don't want to watch the video.

Microsoft Office

Microsoft Visio is not one of the core applications within the [MS Office](#) or Office 365 suite. To use Visio you must purchase an additional license.

Microsoft also provides [MS Office training](#) for free for all its other Office products.
